

STATE OF UTAH
GENERAL PAY PLAN
Effective June 25, 2011 (revised 08/10/2011)
(2080 Hours in FY2012)

The State of Utah has moved away from steps to open ranges beginning with the 2011 fiscal year. There is no longer a general pay plan schedule with steps and associated rates. Each job classification has a salary range in which employees in that classification shall be paid. To look up an individual job's salary range within the State of Utah please [Click Here](#).
